

## Kyle Perkovich and Hit Me Van't Zorgvliet are Victorious in Phase I of the Neue Schule/USEF Jr. Jumper Individual Championships

In a competitive field of 34 entries, Kyle Perkovich and Hit Me Van't Zorgvliet won Phase I of the Neue Schule/USEF National Junior Jumper Championships at the 2019 Pennsylvania National Horse Show (PNHS).

The course, designed by Ken Krome of Westminster, MD, featured twelve jumps with fourteen jumping efforts at 1.35m. Perkovich and his own Hit Me Van't Zorgvliet, produced a bold round that paid off in the end with a time of 51.289 seconds. Alexandra Pielet and Helene VE, owned by the Co-Pielet LLC, came in reserve with a time of 51.796 seconds. Maggie Kehring and Cole Haan, owned by the Kehring Family, rounded out the top three with 55.321 seconds in the Neue Schule/USEF National Junior Jumper Championship Phase I.

"Today felt absolutely amazing!" said Perkovich. "The course was super technical and really forced me to focus every step of the way. I did my best; I gave it my all today and I'm really looking forward to the same consistent rides for the rest of the weekend with Jag (Hit Me Van't Zorgvliet). Honestly, he was feeling great and jumping everything amazingly well. I just couldn't be any happier."

*The Neue Schule/USEF National Junior Jumper Championship culminates on Saturday with the Individual Phase III competition. Scores from the first two phases are converted into points and are carried over with the top 60 percent of competitors from Phases I and II, who have not been eliminated, eligible to take part. The individual champion is the competitor with the lowest number of combined penalties after Phases I, II and III.*

## Junior Jumpers Take the Stage

### \$15,000 Neue Schule / USEF Prix de States Team Championship and Individual Championships

Tonight's main event features some of the rising stars in the jumper division. Junior jumpers from across the country will compete for their respective zones in an effort to claim that coveted top spot on the podium. Seven zones out of the ten USEF National Zones will be represented. This competition will be run under a modified Nation's Cup format. First, each team will jump one round. The highest score of each team will be dropped to obtain a cumulative team score. The six teams with the least number of cumulative faults will go on to jump a second team round. Teams will return in reverse order of the first round total team scores. The winning team is determined by adding together the jumping and time penalties incurred by the best three competitors of each team in each round. At the completion of the second round if teams are tied for any medal, there will be a jump-off in which ONE competitor, determined by the Zone Chef d'Equipe, will participate. All riders have the opportunity to compete in both rounds for an individual score regardless of team standings. Individuals will compete first in both rounds.
