WELCOME BACK

GREEN
IS THE NEW
BLUE

Green is the New Blue has two simple goals: to educate horse show exhibitors and managers about best practices for sustainability and ecological safety, and to provide them the tools to make these changes easy and straightforward to implement.

Green is the New Blue began when amateur hunter rider Stephanie Bulger attempted to find a spot to graze her horse while at a top A show. They walked around almost the entire property, and though the grass was plentiful and green, it was littered with plastic bottle caps, cigarette butts, and other detritus. Stephanie was dismayed and disappointed, but the proverbial seed was planted. The hunter/jumper industry as a whole can do better. Stephanie believes that we can be stewards for an environmental movement to clean up our small corner of the planet.

1 plastic shavings bag
could take up to 300 years to break down

Discarded baling twine
presents a serious hazard to wildlife

38 billion plastic water bottles
are thrown out each and every year

The Pennsylvania National Horse Show is proud to partner with Green is the New Blue! Learn more about how you can do your part at www.greenisthenewblue.org

Together we can preserve the planet, one horse show at a time.

With every visit customers can expect an exceptional shopping experience that leaves them feeling like family. Known for a commitment to customer service, Chagrin Saddlery's highly experienced staff can assist in outfitting English riders from a first lesson to showing at the highest levels while offering the most classic styles as well as the edgier European trends.

Visit us today in the Expo Hall!

It's PNHS Junior Weekend!
Good Luck to all of our competitors!

Sponsor Spotlight

From the feed room to the tack room, SmartPak offers innovative solutions to help riders take great care of their horses. The company was started in 1999, with the introduction of the patented SmartPak supplement feeding system, and since then has grown rapidly and is now the largest retailer of equestrian products in the United States. The company is proud to be celebrating 20 years of using its smarts to power healthy horses and happy riders.

SmartPak was inspired by its founder's horse Westley. His story informed the necessity of proper supplement feeding and led the company to create the SmartPak supplement feeding system. Since its beginnings, the company has taken pride in the saying "we get you, because we are you" because the company is filled with riders, just like you, who come to work every day inspired by their own horses and the horses of its customers. SmartPak continues to drive innovation to bring solutions that help keep your horse happy and healthy despite the stresses that modern horsekeeping can bring.

The stresses and health risks that today's horses face are not the result of bad management - they're unavoidable parts of modern horsekeeping. That's why SmartPak believes that supplements are part of good horsemanship, and every horse deserves support from the right supplements to help him look and feel his best.

SmartPaks were the idea that started it all, and all these years later, they're still the smartest way to feed your horse's supplements. SmartPaks are easier for you as a horse owner, and better for your horse. SmartPaks help simplify your life because they are custom-made, pre-measured, sealed, and labeled daily doses of your horse's supplements. With over 250 supplement options available, your horse will get the exact support he needs, and you'll always have the ultimate peace of mind that your horse is always getting the right supplements in the right amounts, whether you board your horses or keep them at home.

SmartPaks will also save you time because you'll never have to stress about complicated instructions, making up baggies, fumbling with bucket lids or spilled supplements. Best of all, they are AutoShipped for FREE* every four weeks to ensure you never run out. Consistency is key when it comes to supplements, and that's why SmartPak always recommends putting your horse's supplements on AutoShip.

With the success of this simple and convenient feeding system, SmartPak has continued to expand its offering of quality products, including its own line of more than 55 supplement formulas called SmartSupplements™, as well as an extensive selection of equine health items, apparel, blankets, and stable supplies.

When you shop at SmartPak, you can shop with confidence, thanks to their legendary customer service, 100% Happiness Guarantee and Free Shipping Both Ways. SmartPak offers free shipping on SmartPaks over \$40 and all orders over \$75, and free return shipping on all sized items, making them the closest thing to having a tack store right in your own home. They have taken the worry out of online shopping and made it smarter, easier and risk-free.

If you're ready to start your horse on a SmartPak, visit www.SmartPak.com to get started today, or call 1-800-461-8898 and speak to a Horse Health Expert who will help you develop the right supplement program for your horse's individual needs.

EMO Agency Terrace Tables New Location!

The EMO Agency will again sponsor a new and improved VIP Experience at the Terrace Tables in 2019. Our new expanded location offers exhibitors and spectators the chance to watch the horse show ringside with catering that will include breakfast, lunch, and afternoon hot hors d'oeuvres. A cash bar will also be available.

Join the VIP experience!

Terrace Tables are still available for Senior Week

- Senior Week: October 14-18, for \$1,200
- Grand Prix Saturday: October 19, for \$500

Please contact the administration office for availability!
