## Sponsor Spotlight

### SMARTPAK

The SmartPak story begins with a horse named Westley. Our founder, Becky Minard, loved a horse named Westley. Westley's vet said he needed daily supplements, so Becky bought them right away. But it wasn't long before she noticed they weren't getting fed every day... and that Westley wasn't alone. Turns out supplements were a struggle for horse owners and barn managers everywhere! And so a solution was born: the SmartPaks™ supplement feeding system!

Our horses continue to inspire us today. (And so do yours!) Around here, we're fond of saying "we get you because we are you," and it's true. We're a bunch of horse-crazy kids who grew up to become rider-focused SmartPakers. And we pinch ourselves every day that we get to come to work at a place where letters from customers include pictures of ponies.

## My Harrisburg Moments

### Baylee McKeever

*What is your favorite Harrisburg memory?*

My favorite Harrisburg memory is from last year's show, winning the Small Pony Handy class on Pleasure!

*Which horse(s) are you showing this year?*

This year, I will be showing Sterling in the Medium Ponies and my Large Pony, Valor is on the waiting list, so hopefully he gets in too.

*What is your go-to flatwork or jumping exercise when prepping for a big show like Harrisburg?*

Lessons with my trainer Patricia Griffiths from Heritage and jumping courses inside.

*Does your horse need or want to do something special or unique before entering the show ring?*

Sterling (aka Spencer) likes a lot of treats before and after he shows!

Baylee & her proud parents Lee and Erica McKeever

*How long have you been showing your horse?*

I have been showing Spencer since January of last year. I think being Champion at the Winter Equestrian Festival in Wellington, Florida was my favorite thing to win.
